

## **AWAKE**

**E B C#m B E**  
Awake from your sleep Arise from the dead  
**B C#m B F#m**  
Christ will give us light He will lift our heads  
**E B F#m**  
Turn to Him in song  
**E B**  
Awaken the dawn

Awake from your sleep its nearer than before  
Salvation is Him He's knocking at our Door  
Turn to Him in song  
Awaken the dawn

**E B**  
God knows all we want to do is sing  
**C#M B**  
'Till there is nothing left to bring  
**F#m E**  
To the seat of grace we climb  
**B**  
Step by step through these difficult times
