

ALTERS

C F C / Em Am G / F G Am (G) / C F C

Plunge me deep in wells of grace
Fix my eyes, replace my tastes
That I may follow as I should
And You live in me as You would

CHORUS

Alleluia
Sacrifices of praise
Alleluia
On the alter of my days
On the alter of my days

Scrape me raw to shed this skin
Push off me unyielding sin
All that You hate be put to death
Bring me to life to breathe Your breath

Hammer out my rebel will
Break the bent 'til it is still
Oh burn to ashes if You must
Until Your goodness I wholly trust

(chorus)

C F C
 I will run with unhindered feet
 Em Am G
 To fall upon Your mercy seat
 F G Am
 Oh Jesus, show me how to live
 G C F C
 So slow to anger, quick to forgive

C F C
 Let me see the works You planned
 Em Am G
 Soften my heart, loosen my hand
 F G Am
 Take back my talent, time and wealth
 G C F C
 I'll love each stranger as myself

(chorus)

C F C
 Lead me safe through that narrow gate
 Em Am G
 I'll bear my cross and a world of hate
 F G Am
 Still I will press on toward the Son
 G C F C
 Until I hear Him say "Well done."

(chorus)

C
 I long to hear You
 Am
 I long to hear You
 F G
 I long to hear You say
 C
 "Well done, My faithful one."
