

## **Canaan**

**D**                      **F#m Bm**                      **G**  
A lovely correspondence with the author of life  
**D**                      **F#m Bm**                      **G**  
A terrible goodness consumes me with Your fire  
**D**                      **F#m Bm**                      **G**  
This new influence of Your holy touch  
**A**  
Come over me come under me  
**D**  
Come take me my Love

**Bm F#m**                      **G A**  
**Into the Promised Land of Your life now**  
**D**                      **Bm F#m**                      **G A**  
**Carried in Your hand Of love now**

A breathtaking vision of Your glorious face  
The severity of your love as I lie beneath your gaze  
Extending holy hands to the heavens above  
Come over me come under me  
Come take me my Love

## **Chorus**

**G**                      **A**                      **G**                      **A**  
**I am so in Love I am so in Love**  
**G**                      **A**                      **C**  
**Yes I am so in Love with You**
