

All That You Are

B

In the darkness of the hour

E

Where light could not be found

C#m

The pride of life had held me down

E

B

But You met me on the ground

Through tears and through brokenness

I cried out to you

From death to life

From dark to light

Your love has pulled me through

E

B

All that You are is all that I want

E

B

I lay down my life and pick up my cross

E

B

And all that You give is all that I need

E

B

Thank You for loving me by setting me free

In the presence of Your glory

I'll bow down at Your feet

Your death was my victory

And darkness's defeat
