

The Invitation

Intro: D / G / D / A

Oh that You'd come tear open the sky
That You'd come down That You'd come down
Oh that the mountains would tremble inside
That You'd come down That You'd come down

As fire burns away all the Lies
Won't You come down won't You Come down
Your fire brings our souls alive
Jesus come down Jesus come down
Jesus come down

(A) We have come to meet with You
To follow and love to take hold of You
We have come here to worship You
To honor and know to bow before You
Jesus come down Jesus come down
Jesus come down x2 (Last Chorus x4 last 2 G / D / A)

You are our Father we are the Clay
Wont You come won't You Come down
You are the Potter so mold us today
Wont You come won't You Come down
