

Absolution capo 2nd

A F#m D A

A F#m D E

Chorus: Bm E

**Your holiness brings the friendship I need
Loneliness flees as I feel Your glory
Like morning break around me
As I decrease I find You're released
The rush of Your love,
Like the rush of Your blood
Lord, it sustains me, it sustains me**

**Want to tell You, tell You I love You
Just to know You, my sweetest friend**

**"Awake from your slumber, my dear friend" You say
"Arise and follow, for I am the way
In Me is your absolution"
I've been undone by Your holy touch
Consumed by the fire of Your holy love
Lord, it sustains me**
