

## OUR GOD IS PRESENT

**C** **Am**  
All those who seek the throne of grace  
**F** **C**  
Find that throne in every place  
**C** **Am**  
If we live a life of prayer  
**F** **C** **G** **C**  
Our God is present everywhere.

In our sickness or our health  
In our want or in our wealth  
If we look to God in prayer  
Our God is present everywhere.

**F** **C** **Em**  
**Our God is present, Our God is Present**  
**F** **C** **G**  
**Our God is present everywhere.**

When our earthly comforts fail  
When the pain of life prevails  
Now is the time for earnest prayer  
Our God is present everywhere.

### Chorus

Then, my soul, in every strait  
To thy Father come and wait  
He will answer every prayer  
Our God is present everywhere.

**Instrumental close: C Am Em C**
