

Be Still

Language is buried beneath mystery of You
Who transcends the heavens how can I get through?
Words cannot reveal the implicit reply
Your presence removes words
When You're by my side / When You're by my side

B F# G#m E
You still my soul losing control
B F# G#m E
As I fall into You

B **E** **B** **E** **B**
Distance is removed by the radiant cross

B **E** **B** **F#**
The place where my sins died I'm no longer lost

E **B** **E** **B**
The pain that you endured to bring in the tide

B
Your presence removes walls

F# **E**
When You're by my side / When You're by my side

**You still my soul losing control
As I fall into You
I'm coming undone by what you've begun
As I fall into You**

Be Still My Soul
