

Enclosed By You

G **BM** **F#m** **Bm**
Will You stay with me when I forget You're there?
G **BM** **F#m** **Bm**
Will you still love me when my love lingers elsewhere?
G **BM** **F#m** **G**
I hear you softly speaking secrets that enclose
G **BM** **F#m** **Bm**
Words that softly linger with sweet repose

G **D**
"I will never leave you
A **E**
Leave you waiting 'round
G **D**
I'm the one who's been waiting
A **E**
For you to turn around
For you to turn around"

How can I contain You when You contain everything?
The house of my soul is far to small still I will sing
I hear you softly speaking secrets that enclose
Words that softly linger with sweet repose

Enclosed by You
In close I see
I am in You and You are in me
