

## **I'm Redeemed**

**G C**  
I have a father His name is mercy  
**G D**  
He never lets me slide too low  
**G C**  
He always lifts me a little higher  
**G D G**  
His story struck me His face I know

**C**  
Now I'm redeemed,  
**C G**  
Thank God, I'm redeemed!  
**C**  
I'm redeemed,  
**C G**  
Thank Jesus Christ!

**D C G**  
By the blood from His hands and His feet  
**D C G**  
By the blood that He shed for me  
**D C G**  
By the blood from His hands and His feet  
**D C G D**  
By the blood that He shed for me  
**G**  
I am redeemed

We have gathered for nothing worldly  
No cause of man can make us sing  
It's for the glory of our great savior  
That the guitars and trumpets ring

## **Chorus**

When we reach our home in heaven  
Not by our hands, but by the grace of God  
He'll collect our crowns of earthly labor  
He'll receive our eternal applause

## **Chorus**
