Lord cover me because I am weak
D **C** **G**
and teach me to be wise in my inmost being

G **C**
Give me shelter in the shadow of your wings

and teach me to wise in my inmost being

CHORUS

Em *C* *G*
Oh I've been waiting for far to long
Em *C* *G*
I've been filling all my life up but forgot my first love
D *C* *G*
Come fill me up, give me joy again
D *C* *G*
but give me a kindred heart with the broken
D *C* *G*
and wash me clean till I am free
D *C* *G*
who the Son sets free is free indeed (repeat chorus)
