

Overwhelmed

Intro C F Am F C

C F Am F
I wonder what you think of frantic tales

C F Am
That speak of You as if your not there

F C
Oh I wonder if it breaks your heart

I wonder if the mountain would really jump
Into the sea if only we believed

F C
Oh help us our unbelief

C F G (F)
Forgive us for the days that we stray

C F G
When we're overwhelmed we'll look up and we'll say

Am F
Glorious Beautiful

C F G
Jesus we are weak so be our strength

C F Am F C

I wonder when like a thief you will return
Will we be asleep or do our hearts yearn
To come beneath Your burning gaze

We are overwhelmed by Your love
