Jesus Take me to your side x2

Now I lay me down to sleep / In your arms I'm yours to keep

In your love / In your love

But I can't seem to figure out / The lonely hour of this doubt

I need You / Yes I need You

Shall I shrink when trials burn / My minds on fire my heart must turn

Oh to Your love

Jesus take me to Your side / Remove the shadows destroy the lies

Of my heart Oh of My heart

Jesus Take me to your side x2

Keep me in Your Love x 8

Jesus Take me to your side x2
