

Impossible Possibility

G# **Eb** **C#**

Love has come and found me once again

G# **Eb** **C#**

Release the depths of mystery within

Fm **Eb**

I close my eyes and I am undone

G#

By what You've begun

Take my thoughts, I'm captivated by You

As I sink into Your solitude

Jesus, I am lost without You / I am driven to

Eb

C#

Driven to my knees, Lord, I am begging You please

Fm

C#

G#

Fulfill in me, this life that only You can live through me

Eb

C#

Jesus, You must be everything in me

Fm

C#

G#

Lord, I receive this impossible possibility

Inside and out the fire starts to burn

Refined like brass it's easier to turn

To clarity, the vision of Your Word

For You I yearn

G# **Eb**

Love is patient love refines

C#

Love is You inside my mind

G# **Eb**

Living out Your life in mine

C# **G#**

I am Yours to define
